

# Garden Party & Open House

Sunday October 2

Join us Sunday October 2 from 1-4:30 for great food and fun as Heritage House and Gardens are open to celebrate it's 100th birthday.

Tour the house and see the curved etched radiators, coal burning fireplaces, original glass windows, cross-cut burlled oak library and staircase, stained glass back wall and more.

Enjoy the gardens, sit poolside, play games, or just relax and enjoy a selection of gourmet foods from one of Chef Cathy Brown's century food stations.

See you here, but on-site parking is handicap reserved so please park at the church, or on Mill Street just east of our location.
